

City Clerk's Office- Administrative Rule

Campaign Finance Contribution Adjustments

Effective Date: September 1, 2026

Pursuant to Greeley Municipal Code Section 2-127 and Section 2-130, the City Clerk may impose a penalty of \$50.00 per day for each day that a statement or other information required to be filed pursuant to Article XXVIII of the Colorado Constitution or the FCPA is not filed by the close business on the day due. The City Clerk therefore promulgates this Administrative Rule.

If a registered candidate or committee fails to submit the required Contributions and Expenditures report by the scheduled election filing deadline, the City Clerk's Office will provide written notice of the missed deadline and allow three days for compliance. If the report is not filed within that three-day period, the City Clerk's Office will impose a penalty of \$50.00 per day for each day the report remains outstanding. The City Clerk's Office will invoice the candidate or committee weekly and may collect civil penalties in accordance with applicable law, including through the use of a private collection agency.
