APPLICATION FOR ADA PARATRANSIT SERVICE

Thank you for your interest in ADA Paratransit Service with Greeley Evans Transit (GET). GET provides ADA Paratransit Service in accordance with the Americans with Disabilities Act of 1990. This service is intended for individuals with physical, cognitive, mental, visual, or other disabilities that **functionally prevent** them from independently using GET's fixed-route bus system **permanently, temporarily, or conditionally**. Applicants will be notified of the determination by mail.

Important Notes About Eligibility

- Disability alone does **not** guarantee eligibility.
- Eligibility is based on your **functional ability** to use fixed-route bus service.
- All GET buses and major facilities are fully accessible (ramps/lifts, priority seating, etc.).
- The following **do not** qualify someone for ADA Paratransit Service:
    - Age
    - Inability to drive
    - Distance to bus stops
    - Weather sensitivity
    - Lack of bus service near your home
    - Medicare/Medicaid qualification
    - Trip duration or convenience

- Eligibility may require:
    - Applicant self-assessment
    - Professional medical verification
    - Functional assessment
    - In-person interview

All information is confidential and shared only for eligibility determination, transportation facilitation, or as required by law.

Both the Applicant Form and the Professional Verification Form must be submitted for GET to determine eligibility. The 21-calendar-day determination period begins once both forms are received and the application is complete. If required information is missing, GET will notify the applicant and provide an opportunity to submit the necessary information. If the requested information is not received within thirty (30) calendar days of the notification, the application may be closed. Applicants may reapply at any time.
